Grantee Introductions and Ice Breaker

Your Name

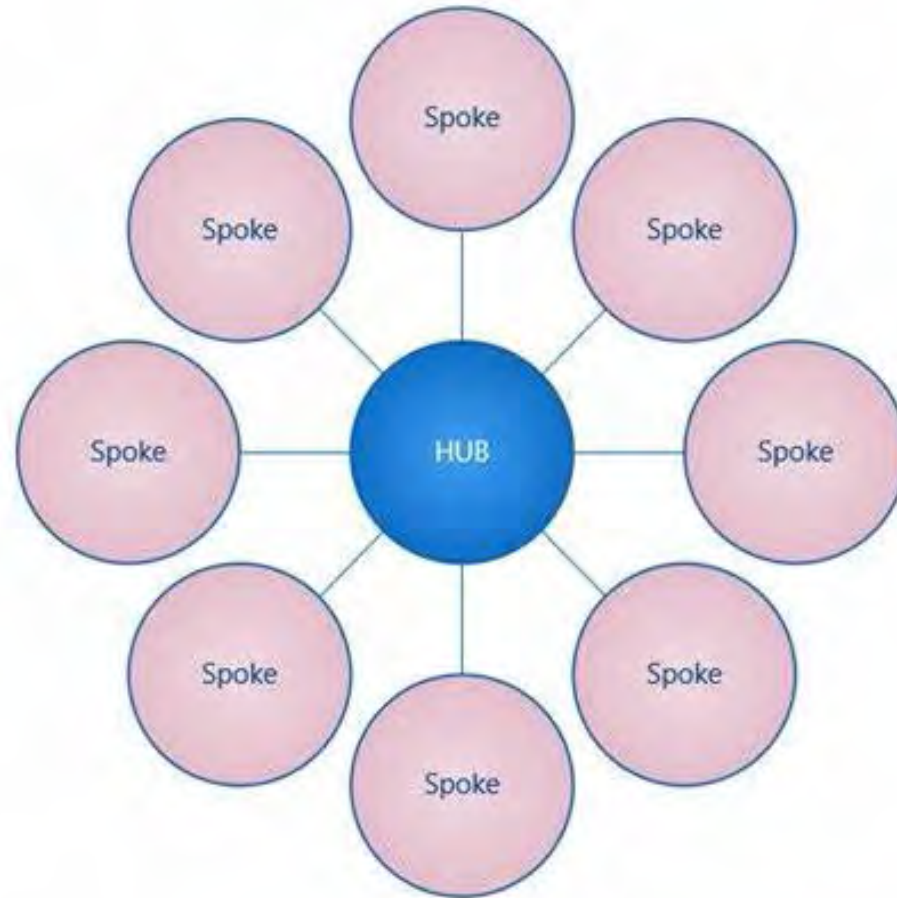

Facility name and location.

Are you a Hub or a Spoke ?

What is your favorite hobby?

Poll 1: Have you built relationship or collaboration with a Hub and/or Spoke in your area?

Discussion Question 1:

- **I. Have you built relationship or collaboration with Hub and Spoke in your area?**
- Do you have a working relationship with the local county behavioral health organization?
 - Have you built relationships or done networking with other community organizations, county behavioral health, cultural or diverse centers or organizations, or coalitions? If not, what can you do to build it? If so what worked?
 - We are encouraging collaboration between both hub and spoke and outside agencies in hopes of increasing MAT access and decreasing OUD in the community, particularly highest rates for African American, Native American, and those who reside in the rural communities. How are you getting to these patients?

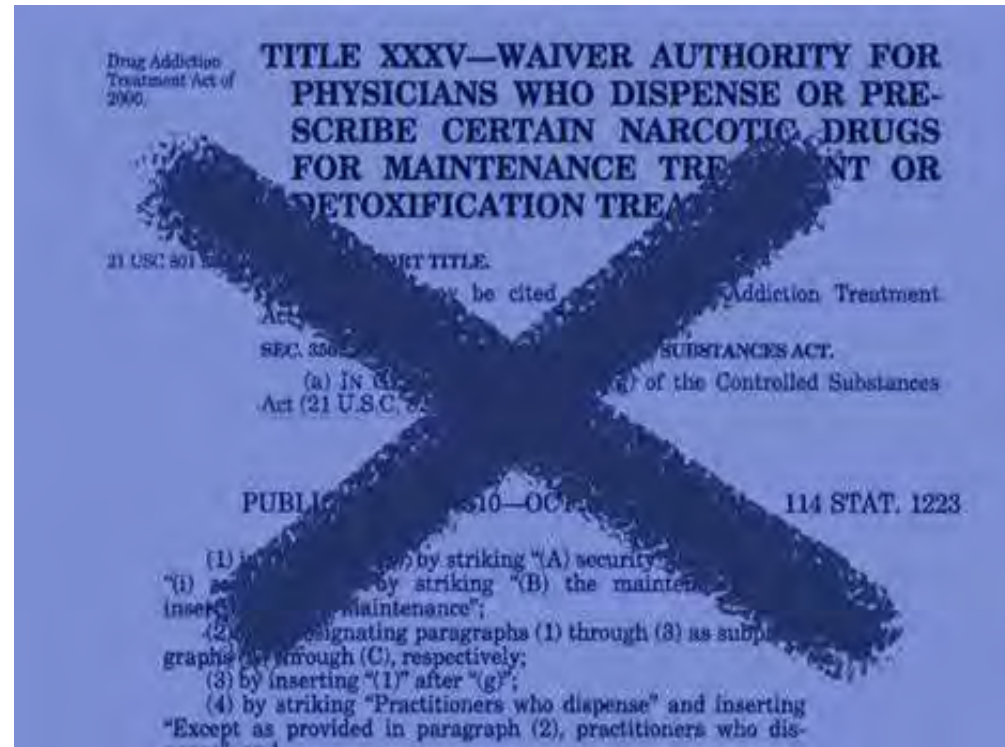

Discussion 2:

Are you finding ways to expand MAT services via ?

- There are many ways a program can help to increase MAT services and infrastructure.
 - Open longer hours to accommodate people not available during business hours.
 - Open one day on weekend.
 - Telehealth and/or telehealth hours expanded,
 - Increasing awareness
 - Educating community
 - Letting community know MAT care is covered with the grant.
 - Where access to MAT care is in the community.
 - Hiring more staff for same day appointments.

Poll Question 2: Are you aware the X waiver requirement has been dropped ?

Discussion Question 3:

- With Waiver X being dropped in order to prescribe Buprenorphine How does that affect the providers?
 - All providers who are licensed with the DEA are eligible
 - How can we increase the Buprenorphine providers locally and throughout California?
 - What it now means to have the x-waiver requirement dropped?
 - Medical practitioners **renew** their DEA licenses every three years.
- If Providers need help or advice they can call the 24/7 **Provider Hotline for Substance Use Consultation-** They can call and speak to MOUD expert to get a free consultation Call for a Phone Consultation- (844) 326-2626, 24/7, Everyday- [California Substance Use Line | National Clinician Consultation Center \(ucsf.edu\)](https://www.ucsf.edu/line)
